## LIKE A HONEYCOMB!

Praise and words of encouragement are the building blocks our GMCAC students need. As we move away from fall semester, please know that confidence when preparing for quizzes and other assignments, may depend on how we interact with them.

During this second semester let's make it a habit to hug them often and acknowledge whatever they achieve in school, church, community, sports or the arts. Our presence and open display of affection to our children will assist them in developing the sense of security that all of us need. Tender, loving words will open the ears of our children, and they will eagerly look to us for wisdom and direction.

"Pleasant words are Like a Honeycomb, sweetness to the soul and health to the bones." *Proverbs 16:24*
