Academic Excellence – God's Way

Dear Friend:

The Greenforest-McCalep Christian Academic Center (GMCAC) located in South DeKalb County was founded in 1989 by the late Rev. Dr. George McCalep, Jr. This premier private school provides a quality, well-rounded education (spiritual, moral, academic and social) from Pre-K3 through 12th grade. The students consistently score above average on state and national standardized tests. Overall, the school has a 100% graduation rate and a 100% college acceptance rate.

Presently, we are planning our third annual Greenforest-McCalep Memorial Scholarship Fundraising Drive. We have two primary goals for this initiative. The first is to raise funds for scholarships for deserving students, and the second is to solicit donors to pay homage to the legacy of loved ones who have passed on, while recognizing businesses and others that support us in this effort.

We are asking donors to support our scholarship initiative by purchasing a legacy ad in memory of someone who has passed on. The ad will be published in a memorial booklet that we will distribute during our culminating Memorial Service on **Sunday, April 26, 2020, at 4:30 p.m.** All persons remembered in a legacy ad will be honored during a bell-ringing candlelight ceremony. Further, each donor will be acknowledged on the supporter page on the Academy's website.

Please join us in this effort by purchasing a legacy ad at one of the levels listed in the attachment. If you need additional information, feel free to contact Ms. Carolyn Trammell at GMCAC, 404-486-6737.

You may submit your ad with payment by using the attached donor form or by going to our website and following the directions. The ad and payment are due by **FRIDAY, APRIL 3, 2020.**

Thank you in advance for your support and generosity, as well as your assistance in continuing to provide a first class education experience for student matriculating at our Christian Academy.

Sincerely,

Millicent Black
